Following stockholder approval of the Private Placement Proposal, each share of Series X Preferred Stock will automatically convert into 1,000 Shares, subject to certain limitations, including that a holder of Series X Preferred Stock is prohibited from converting shares of Series X Preferred Stock into Shares if, as a result of such conversion, such holder, together with any person whose beneficial ownership would be aggregated with such holder's for purposes of Section 13(d) or Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), would beneficially own more than a specified percentage (to be established by the holder between 0% and 19.99%) of the total number of Shares issued and outstanding immediately after giving effect to such conversion (the "Beneficial Ownership Limitation"). The Private Placement Warrants may be exercised at any time following stockholder approval of the Private Placement Proposal, will have an exercise price of \$0.2311 and expire on the 24-month anniversary of the date on which they are first exercisable.
